

# Silver Springs State Park Pedestrian Bridges

## Marion County

Financial Project Identification (FPID) No.: 426179-1

### Project Description

The Florida Department of Transportation (FDOT) is creating a trail connection within Silver Springs State Park. This project includes the construction of two, 8-foot-wide pedestrian bridges over Silver River. FDOT will also be constructing boardwalks along the waterway. The southern boardwalk will be 545 feet long and connect to an existing boardwalk on Ross Allen Island. The northern boardwalk will be 812 feet long and connect to an existing trail within the park.

This project is being designed and constructed by FDOT per agreements with the Florida Department of Environmental Protection (FDEP). Agreements include FDOT conducting this project in return for land from FDEP that was needed for a widening project along State Road (S.R.) 40.

More information and a project video can be found at [www.CFLRoads.com/project/426179-1](http://www.CFLRoads.com/project/426179-1).

### Project Status and Estimated Costs\*

Design:	Ongoing: completion summer 2021	\$ 1.4 Million
Right of Way:	Within existing	-
Construction:	To begin summer 2023	\$ 2.2 Million

\* subject to change
