

ROADWAY IMPROVEMENTS

Orange Blossom Trail (U.S. 441) at Rosamond Drive

Orange County

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will increase safety for drivers and pedestrians at the intersection of North Orange Blossom Trail (U.S. 441) and Rosamond Drive by repaving the road, updating signage, and installing a new traffic signal.

WHAT TO EXPECT

During construction, motorists should expect daytime and nighttime lane closures and detours on weekdays and weekends. Electronic message boards and other signage will be used to direct traffic through the work zone. Road conditions during construction will become less apparent as the project progresses. Motorists are asked to exercise caution and reduce their speed while driving through the work zone. Due to construction, there might be some noise around the area.

The contractor will maintain pedestrian access to sidewalks during construction using signed detours, traffic control devices, and/or temporary walkways and ramps, when appropriate. The construction schedule may change due to weather, holidays special events, and other unexpected conditions. For the most current project details, visit the project pages on FDOT's Central Florida Roads website, www.cflroads.com.

Financial Project Identification (FPID) No.: 441395-1

CONTRACTOR
Chinchor Electric Inc.

PROJECT COST
\$1.9 Million

PROJECT START
Fall 2023

ESTIMATED COMPLETION
Spring 2024
