

INTERSECTION IMPROVEMENTS

N Orange Blossom Trail (U.S. 441/S.R. 500/S.R. 600) at E Osceola Parkway

Osceola County

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will enhance safety and operations at the intersection of Orange Blossom Trail (U.S. 441/S.R. 500/S.R. 600) and Osceola Parkway. The improvements at the intersection will upgrade the traffic signal, extend the left turn lane and improve overall safety. Additional improvements also include sidewalk construction along eastbound Osceola Parkway to fill the existing sidewalk gap.

WHAT TO EXPECT

During construction, motorists should expect daytime and nighttime lane closures and detours on weekdays and weekends. Electronic message boards and other signage will be used to direct traffic through the work zone. Road conditions during construction will become less apparent as the project progresses. Motorists are asked to exercise caution and reduce their speed while driving through the work zone. Due to construction, there might be some noise around the area.

The contractor will maintain pedestrian access to sidewalks during construction using signed detours, traffic control devices, and/or temporary walkways and ramps, when appropriate. The construction schedule may change due to weather, special events, and other unexpected conditions. For the most current project details, visit the project pages on FDOT's Central Florida Roads website, www.cflroads.com.

Financial Project Identification (FPID) No.: 445801-1

CONTRACTOR

Atlantic Civil Constructors Corp.

PROJECT COST

\$2.4 Million

PROJECT START

October 2023

ESTIMATED COMPLETION

Spring 2024
