

# RESURFACING IMPROVEMENTS

S.R. A1A (Atlantic Avenue) from north of S.R. 404 (Pineda Causeway) to south of Sherry Lee Lane (36th Street)

## Brevard County

### PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is enhancing operations and safety along State Road (S.R.) A1A (Atlantic Avenue) beginning just north of Pineda Causeway (S.R. 404) to south of Sherry Lee Lane (36th Street). The project will mill and resurface approximately 4-miles of S.R. A1A to extend the life of the existing roadway. Proposed improvements include constructing a new grassed median, replacing existing drainage structures, and adjusting manhole covers.

### WHAT TO EXPECT

Motorists should expect lane closures throughout construction. Lanes may be closed on S.R. A1A from 7:00 p.m to 7:00 a.m on weekdays and weekends. Electronic message boards and other signage will be used to alert motorists of traffic changes. Access to area parks and residences will be maintained throughout the project. Uneven pavement is a common, unavoidable roadway condition with projects that require resurfacing, as the contractor must place different layers of asphalt during various phases of construction. Road conditions during construction will become less apparent as the project progresses. Pedestrian detours will be placed in areas where the sidewalk is inaccessible during construction. Motorists and pedestrians are asked to exercise caution and reduce their speed while driving through the work zone.

The construction schedule may change due to weather or other unexpected conditions. For the most current project details and lane closure information, make sure to visit the project page on FDOT's Central Florida Roads website, [www.cflroads.com](http://www.cflroads.com).

### Financial Project Identification (FPID)

No.: 445214-1

**CONTRACTOR**  
OHLA USA, Inc.

**PROJECT COST**  
\$4.9 Million

**PROJECT START**  
March 2024

**ESTIMATED COMPLETION**  
Late 2024

**FOR QUESTIONS, CONCERNS,  
OR PROJECT UPDATES**
