

SAFETY IMPROVEMENTS

S.R. 501 (Clearlake Road) from S.R. 520 (W. King Street) to Industry Road

Brevard County

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is enhancing safety improvements along Clearlake Road (State Road (S.R.) 501) from S.R. 520 (W. King Street) to Industry Road in Cocoa. The project plans to mill and resurface Clearlake Road from S.R. 520 to Michigan Avenue. The project also is evaluating various techniques to encourage slower driving speeds to make travel safer for drivers, pedestrians, and bicyclists. Pedestrian safety elements include realigned and improved crosswalks, upgraded pedestrian signals, and reconstructed sidewalk and pedestrian curb ramps to meet current Americans with Disabilities Act (ADA) standards. The project also plans to upgrade existing traffic signals and pedestrian lighting and make necessary drainage adjustments.

WHAT TO EXPECT

Motorists should expect lane closures throughout construction. Electronic message boards and other signage will be used to alert motorists of traffic changes. Uneven pavement is a common, unavoidable roadway condition with projects that require resurfacing, as the contractor must place different layers of asphalt during various phases of construction. Road conditions during construction will become less apparent as the project progresses. Pedestrian detours will be placed in areas where the sidewalk is inaccessible during construction. Motorists and pedestrians are asked to exercise caution and reduce their speed while driving through the work zone.

The construction schedule may change due to weather or other unexpected conditions. For the most current project details, visit the project pages on FDOT's Central Florida Roads website, www.cflroads.com.

Financial Project Identification (FPID) No.: 447085-1

CONTRACTOR

Masci General Contractor, Inc.

PROJECT COST

\$13.1 million

PROJECT START

October 2023

ESTIMATED COMPLETION

Fall 2025
