

# Washington Street (S.R. 526) Improvements

from Orange Blossom Trail (U.S. 441) to west of I-4

Orange County

Financial Project Identification (FPID) No.: 448789-1-52-01

## Project Description

The Florida Department of Transportation (FDOT) is planning improvements along Washington Street (State Road (S.R.) 526) from Orange Blossom Trail (U.S. 441) to west of Interstate 4 (I-4). The purpose of the project is to repave this segment of Washington Street and enhance safety for all users.

To help encourage safer driving speeds, the project is evaluating the addition of raised crosswalks and speed tables, as well as small, landscaped medians along the corridor. The landscaped medians will not impact access to properties.

Bicycle safety measures include widening the bike lane to 5 feet and narrow the travel lanes to 10 feet. Lighting and traffic signal upgrades are also planned.

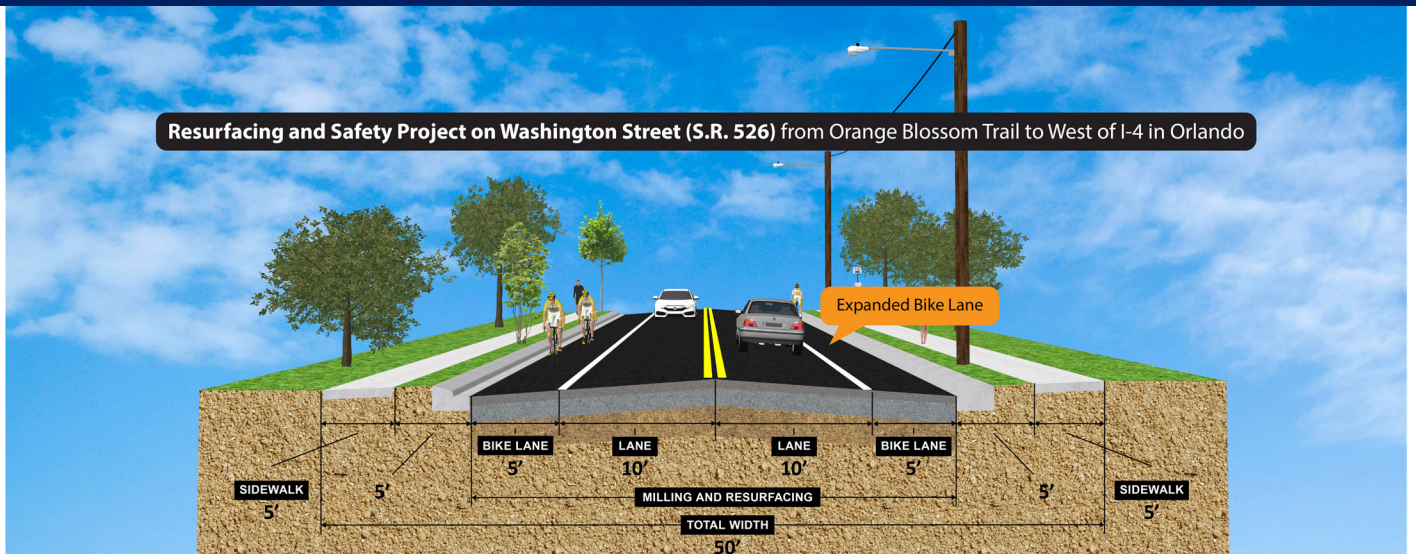

## Project Status and Estimated Costs\*

Design:	Ongoing - completion spring 2023	\$ 1 Million
Right of Way (R/W):	Within existing	---
Construction:	Funded - summer 2023	\$ 1.3 Million

\*subject to change
